Overall Length:

11.156 inches

Largest Outside Diameter:

0.750 inches

Special Features:

First end 0.375 in. Diameter with 0.625-18 thd, 0.625 in. Deep at major diameter connectionend; other end 0.344 in. Dia.

Material:

Stainless steel

Material Specification:

Qq-s-763 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A503z0
