End Application:

Nha hydraulic control module 70075-2; c5b acft

Unit Package Quantity:

8

Component Quantity:

8

End Item Source:

99643

End Item Name:

Hydraulic control module

Special Features:

Manufacturers suggested name valve, shutoff, inlet; major component parts are poppet 41784 and seat 41783

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
