Overall Length:

4.750 inches

Valve Type For Which Designed:

Regulator

Valve Size For Which Designed:

1.000 inches

Stem Actuating End Type:

Threaded externally

Valve Model Number For Which Designed:

Style b reverse acting

Material:

Steel comp 303

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A503z0
