Criticality Code Justification:

Zzzy

Special Features:

Material qq-s-763 specification qq-s-763, cl304, cond a shall be used in lieu of specification aisi type 304 designated on the drawing;

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A503z0
