Body Material:

Steel, corrosion resisting

Media For Which Designed:

Air and nitrogen, gaseous

Outlet Pressure Range:

+100.0/+175.0 pounds per square inch

Regulation Type:

Automatic single stage

Maximum Inlet Pressure Rating:

1500.0 pounds per square inch

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A21100
