

View Online at <https://aerobasegroup.com/nsn/4820-01-244-2559>

Special Features:

External threads under flange

Material:

Steel

Material Specification:

Astm a182, grade f6 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A512e0
