**Criticality Code Justification:**

Zzzy

**Special Features:**

Nickle copper alloy; 14.500 in.Lg;

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications.

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A503z0
