NSN 4820-01-255-3401

Fluid Valve Stem - Page 1 of 1

A503z0

View Online at https://aerobasegroup.com/nsn/4820-01-255-3401

Criticality Code Justification:
Zzzy
Special Features:
Nickle copper alloy; 14.500 in.Lg;
Reference Number Differentiating Characteristics:
Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications.
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
Yes - demil/mli
