Fluid Valve Stem - Page 1 of 1

Fiig: A503z0

View Online at https://aerobasegroup.com/nsn/4820-01-270-7058

Criticality Code Justification:
Zzzy
Special Features:
Inspect per mil-i-45208, clean per mil-std-767, matl nickel-copper alloy and nickel-copper-silicon castings per qq-n-288, ship per mil-std-129;
Reference Number Differentiating Characteristics:
Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
Yes - demil/mli
