Overall Length:

4.968 inches

Port Quantity:

5

Valve Design Control Activity:

53711

Material:

Aluminum alloy

Material Specification:

Qq-a-225/8, 6061-t651 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A518e0
