Fluid Pressure Regulating Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4820-01-301-0362

Body Material:
Aluminum

Media For Which Designed:
Air

Flow Control Device:
Stem and integral disk

Valve Loading Method:
Spring

Filter:
Not included

Shelf Life:

N/a

Unit Of Measure:

Special Features: Valve size 0.750 in.

--

Demilitarization:

No

Fiig:

A21100
