Material:

Aluminum alloy body

Material Specification:

Ams 4120, alloy 2024, t4 assn standard 1st material response body

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2, class 1 military specification 1st treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A046b0

Mil-std (military Standard):

Mil-a-8625 spec.
