## NSN 4820-01-314-1068

Fluid Pressure Regulating Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4820-01-314-1068

Body Material:
Steel, astm a217, grade wc6
Body Style:
Straight thru
First End Connection Type:
Raised face flange
Second End Relationship With First End:
Identical
Seat Material:
Steel, astm a182, grade f12
Flow Control Device Material:
Steel, astm a217, grade wc6
End Connection Quantity:
2
Filter:
Not included
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A21100
