Fluid Valve Stem - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4820-01-323-1759

End Application:
Ball valve
Valve Type For Which Designed:
Ball
Stem Actuating End Type:
Rounded
Material:
Copper alloy 630
Material Specification:
Mil-a-15939 military specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A503z0
Mil-std (military Standard):
Mil-a-15939 spec.
