Overall Length:

9.250 inches

End Application:

Robertshaw temperature regulator valve part number i-1285-d13 onboard 400 ft wagb coast guard vessels

Valve Type For Which Designed:

Regulator

Valve Size For Which Designed:

3.000 inches

Stem Actuating End Type:

Threaded externally

Special Features:

One end threaded

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A503z0
