Tempurature Rating:

400.0 degrees fahrenheit

Pressure Rating:

500.0 pounds per square inch

Special Features:

Consist of collar, disk 1; holder, disk 1; disk 1; ring retaining 1

Material:

Steel comp 304

Material Specification:

Aisi 304 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539y0
