Overall Height:

3.250 inches

Pressure Rating:

150.0 pounds per square inch

Seat Angle:

10.0 degrees

Material:

Steel

Style Designator:

Solid wedge

Reference Number Differentiating Characteristics:

Magnetic permeability shall not exceed 2.0 after fabrication

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539y0
