Fluid Pressure Regulating Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4820-01-343-7320

Body Material:
Aluminum
Media For Which Designed:
Hydrocarbon fuels and oils
Packing Material:
Rubber, buna-n
Mounting Facility:
Flange
Outlet Pressure Setting:
150.0 pounds per square inch
Filter:
Not included
End Application:
Parker hannifin corp, model dil2-2-74w-mm-25-yfyf-3 duplex filter
Special Features:
Shuttle-type check valve w/anti-back flow; 2.00in.Nptf flange manifold mtd
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A21100
