Fluid Pressure Regulating Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4820-01-346-3183

Body Material:
Aluminum bronze
Flow Control Device:
Plug
Flow Control Device Material:
Steel, corrosion resisting, qq-s-763, class 302, 303, 304, 305, 310, or 316
Regulation Type:
Automatic single stage
Valve Loading Method:
Spring
Filter:
Not included
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A21100
