**Thread Direction:**

Right-hand 1st end

**Flow Control Device:**

Poppet

**Connection Style:**

Plain (pipe) 1st end

**Valve Operation Method:**

Automatic

**Connection Type:**

Threaded external pipe 1st end

**Mounting Position:**

Horizontal or vertical

**Thread Size:**

0.125 inches 1st end

**Special Features:**

Body length of 2526729 modified to partially expose valve core

**Material:**

Copper alloy body

**Style Designator:**

Straight thru

**Thread Series Designator:**

Npt 1st end

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A530b0
