Check Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4820-01-348-1391

Thread Direction:
Right-hand 1st end
Flow Control Device:
Poppet
Connection Style:
Plain (pipe) 1st end
Valve Operation Method:
Automatic
Connection Type:
Threaded external pipe 1st end
Mounting Position:
Horizontal or vertical
Thread Size:
0.125 inches 1st end
Special Features:
Body legnth of 2526729 modified to partially expose valve core
Material:
Copper alloy body
Style Designator:
Straight thru
Thread Series Designator:
Npt 1st end
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
