| Find Composition Quantities                                 |
|-------------------------------------------------------------|
| End Connection Quantity:                                    |
| 4                                                           |
| Valve Operation Method:                                     |
| Manual                                                      |
| Valve Quantity:                                             |
| 2                                                           |
| Connection Type:                                            |
| Threaded external pipe and threaded internal pipe           |
| Maximum Operating Pressure And Media For Which Designed:    |
| 1.4 pounds per square inch water                            |
| Thread Size:                                                |
| 2.000 inches and 1.250 inches                               |
| Body Material:                                              |
| Copper alloy 836 or copper alloy 903 or copper alloy 922    |
| Maximum Operating Tempurature And Media For Which Designed: |
| 125.0 degrees fahrenheit water                              |
| Thread Series Designator:                                   |
| Npt                                                         |
| Furnished Items And Quantity:                               |
| 2 handle                                                    |
| Shelf Life:                                                 |
| N/a                                                         |
| Unit Of Measure:                                            |
|                                                             |
| Demilitarization:                                           |
| No                                                          |
| Fiig:                                                       |
| A504I0                                                      |
|                                                             |
|                                                             |
|                                                             |
