End Application:

Vapor corporation boiler model no. Mrn

Special Features:

For 1.000 in. Regulating valve

Material:

Plastic polyamide

Material Specification:

Lockheed-california co, c-22-1221 mfr ref single material response

Media For Which Designed:

Water

Style Designator:

Flat

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A540d0
