Valve Size For Which Designed:

4.000 inches

Pressure Class:

150.0 pounds per square inch

Valve Design Control Activity:

30263

Valve Model Number For Which Designed:

B-1620-e-0400-10

Special Features:

Matl bronze, per astm b61 or b62

Material:

Copper alloy 922

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51700
