End Application:

2320-01-383-3850

Valve Type For Which Designed:

Fluid pressure regulating

Product Name:

General motors corp

Valve Design Control Activity:

73342

Valve Model Number For Which Designed:

Control valve body assembly for 3000 engine r.P.M lockup

Special Features:

Body valve

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A518e0
