Bolt Hole Quantity:

2

End Application:

3895-01-344-5480 tankless type liquid bituminous material distributor

Flange Shape:

Rectangular

Special Features:

Includes 3/8in.Npt reservoir connection; used on 110315 ratio relay valve

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A501s0
