End Application:

Seawolf class ssn

Valve Type For Which Designed:

Relief

Valve Size For Which Designed:

0.500 inches

Special Features:

For safety relief valve sz 0.500 in.

Material:

Stainless steel

Material Specification:

Astma582 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A503z0
