End Application:

Seawolf class ssn

Valve Type For Which Designed:

Check

Valve Model Number For Which Designed:

Hs-076

Special Features:

For hs-076 manifold

Height:

5.500 inches

Material:

Aluminum alloy

Material Specification:

Astmb150 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A513b0
