End Application:

Kidd class ddg

Port Quantity:

2

Port Diameter:

4.000 inches

Stem Accommodation Quantity:

1

Port Configuration:

Straight

Special Features:

For sz 4.000 in. Ball valve

Material:

Copper alloy 922

Material Specification:

Qq-c-390 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A500t0
