Overall Length:

1.187 inches

Outside Diameter:

0.553 inches

Taper Length:

0.250 inches

Taper Minor Diameter:

0.302 inches

Bore Diameter:

0.2500 inches

End Application:

Submarine; seawolf class

Special Features:

0.250 ips guide for non-reversible check valve

Material:

Steel, corrosion resisting

Material:

Stainless steel

Style Designator:

Plain-tapered shank end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T267-e
