Thread Direction:

Right-hand all ends

Flow Control Device:

Disk

Connection Style:

Plain, optional end (pipe) all ends

Valve Operation Method:

Automatic

Connection Type:

Threaded internal pipe all ends

Mounting Position:

Vertical

Thread Size:

0.500 inches all ends

Special Features:

Grafoil gasket; bolted cap

Material:

Steel comp 316l body

Style Designator:

Straight thru

Thread Series Designator:

Npt all ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530b0
