**Attachment Method:**

Threaded holes

**End Application:**

Seawolf class ssn

**Valve Type For Which Designed:**

Ball

**Special Features:**

Consists of 6406593-mptd-a7 and 6406593-mptd-b7

**Material:**

Stainless steel

**Material Specification:**

Qq-s-763 cl 304 cond a federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A513b0
