Inside Diameter:

0.375 inches

Outside Diameter:

Between 1.238 inches and 1.239 inches

Overall Length:

3.465 inches

End Application:

Used on f16 door actuator

Features Provided:

Threaded

Valve Design Control Activity:

99240

Material:

Steel

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A512t0
