End Application:

3930-01-417-2886; strategic sealift conversion ships class

Special Features:

Stellite hardfaced

Material:

Steel comp 410

Material Specification:

Astm a276 assn standard single material response

Style Designator:

Plain flanged

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A15500
