Valve Discharge Flow Rate:

20.0 gallons per minute

End Application:

Usns stalwart class tagos

Operating Temperature Rating:

176.0 degrees fahrenheit

Maximum Operating Pressure:

5000.0 pounds per square inch

Port Quantity:

4

Special Features:

2 stage valve

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A508u0
