**Flow Control Device:**

Needle

**End Application:**

Arleigh burke class ddg

**Valve Operation Method:**

Manual

**Valve Size:**

0.250 inches

**Product Name:**

Inline needle valve

**Special Features:**

Both ends 1 3/16-12 un-3a thd

**Material:**

Stainless steel stem

**Style Designator:**

Err-090

**Furnished Items And Quantity:**

1 handle

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A046b0
