Flow Control Device:

Needle

End Application:

Arleigh burke class ddg

Valve Operation Method:

Manual

Valve Size:

0.250 inches

Product Name:

Inline needle valve

Special Features:

Both ends 1 3/16-12 un-3a thd

Material:

Stainless steel stem

Style Designator:

Err-090

Furnished Items And Quantity:

1 handle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A046b0
