End Application:

Elcas (m) control console arrangement level 3, dwg.No.6304349

Valve Operation Method:

Manual

Connection Quantity:

3

Connection Type:

Threaded internal pipe

Mounting Facility:

Inline

Features Provided:

Normally closed

Valve Size:

0.125 inches

Flow Type:

Three-way

Thread Size:

0.125 inches

Special Features:

Media air

Thread Series Designator:

Ptf-sae short

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A501t0
