Flow Control Device:

Ball

Disk Loading Method:

Weight

Valve Operation Method:

Automatic

Mounting Position:

Vertical

Valve Size:

2.500 inches

Special Features:

Contains at least 1 filter screen

Material:

Steel body

Style Designator:

Straight through flanged ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530b0
