End Application:

High pressure, cage 07070

Product Name:

Valve, shutoff

Special Features:

Body 2.00 inches; handle 1.38 inches; top handle to ctr of body 2.34 inches open; .25 max. Panel thickness

Material:

Stainless steel body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500a0
