End Application:

W/s code nimitz class cvn

Valve Type:

Gate

Valve Size:

5.000 inches

Special Features:

Nha valve gate 5 inch

Material:

Copper alloy

Material Specification:

Mil-b-16541 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A501s0

Mil-std (military Standard):

Mil-b-16541 spec.
