**End Application:**

Onboard 420 ft wagb coast guard vessels

**Usage Design:**

Lube oil system

**Thermostat Type:**

Coil spring bimetallic

**Special Features:**

Material carbon steel, inlet pressure, normal 25 - 40; capaci type 60 gpm

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T121-c
