Overall Length:

3.250 inches

Overall Height:

2.500 inches

Overall Width:

1.250 inches

End Application:

P-25, firefighting vehicle; lhd and carrier

Pressure Rating:

3500.0 pounds per square inch

Special Features:

Shall be compatible w/mil-h-83282 fluids; all ports saej1926 o-rings 6ea; max flow 3 gpw

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
