End Application:

W/s code usns stalwart class tagos

Valve Size:

0.500 inches

Product Name:

Ball valve 1/2 in. Bsp

Special Features:

Next higher assembly distillation

Material:

Copper alloy

Media For Which Designed:

Water, fresh single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A046b0
