End Application:

Pump assembly, sanitary overboard

Connection Style:

Grooved (pipe) all ends

Valve Operation Method:

Automatic

Connection Type:

Unthreaded cartridge all ends

Mounting Position:

Vertical

Product Name:

Check valve, spherical

Special Features:

W/s seawolf class ssn

Material:

Titanium alloy

Style Designator:

Straight thru

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530b0
