End Application:

1c-5-704

Valve Design Control Activity:

98939

Valve Model Number For Which Designed:

Re2792

Sleeve Material:

Steel

Special Features:

Manufacturers suggested is cartridge, low surge; major component parts: sleeve p/n .431r328, pistons p/n's .571r243 & .571r244 & .571r245, spool p/n ..421r154, caps p/n's 261r199 & 261r200

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A502b0
