End Application:

170' patrol coastal (pc-1)

Gear Type:

Bevel

Features Provided:

Handwheel

Gear Ratio:

43 to 1

Product Name:

Bevel gear operator assembly, model vt 60, sga 43.0: 1

Special Features:

Handwheel iaw navsea standard dwg 803-1385620; has 8 threaded mounting holes

Material:

Iron and steel and aluminum alloy

Material Specification:

Astm a536 gr65/45/12 assn standard 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A512p0
