Overall Length:

2.250 inches

Overall Height:

0.312 inches

End Application:

W/s nimitz class cvn

Special Features:

Nha valve temp release

Material:

Copper alloy

Thread Size And Series/type Designator:

0.750-16 unc

Specification Data:

Qq-b-626/cancelled government standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
