End Application:

Valve vent check 2.00 ips 4500 psi nimocr btwld

Criticality Code Justification:

Zzzy

Product Name:

Drawing name cartridge assembly

Special Features:

Consists of guide, poppet, nut, housing, spring, retainer, and cotter pin

Reference Number Differentiating Characteristics:

Quality control iaw navships 0948-045-7010 material identification and control instruction for level items

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A519r0
