Pressure Rating:

3000.0 pounds per square inch

Special Features:

Manufacturers name for item - quiet element; n/h/a valve, linear, directional control; valve assembly restrictor 21249-001

Material:

Steel comp 4130

Material Specification:

Aisi 4130 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539y0
